Invoice Payment Guidelines—Covered Bridge Festival

Due Date

All CBF Invoice Payments are due August 15 (or as otherwise stated on the invoice).

Acceptable Methods of Payment

Cash, check or money order. We do not accept credit or debit cards.

Delinquency

After August 15, we reserve the right to cancel any booth contract or RV site agreement and retain any deposits made as a part of the original contract. Should we decide to re-instate the agreement, we also may request a payment of an additional 10% of the original contract total. We ***strongly*** urge anyone who cannot meet payment terms by the invoice due date to contact us immediately to work out a plan to meet your obligation. If you are not coming to CBF, have the professional courtesy to notify us.

****Read the Rules****

All of our contracts contain a provision regarding following our rules. Rules regarding the operation of the Exhibit Grounds, RV Park and Reserved Parking are enclosed with invoicing, or are readily available on request. Since it may be necessary to revise operating rules from year to year, we ***strongly*** suggest you read & become familiar with them. If you have questions about them, ***ask before assuming anything.***

Remember—The Rules Apply To Everyone!!

Thank you for your cooperation,

Debra Barnes
